ONLINE REGISTRATION

Online registration allows your individual members to register with USA Hockey. The **USA Hockey Waiver of Liability** is completed during online registration; copies of Waivers are **NOT** required for those registering online. To register online, follow these steps:

- Instruct your members to register online and send confirmation number to you.
- Let your members know the following fees are collected during online registration: USA Hockey fee of \$40 for age 7&over and \$0 for 6&under and Affiliate fees from \$4 to \$10 for age 7 and over and \$0 for age 6&under (birth year 2009 and later).
- Once you receive confirmation number(s) login to your Registry and select Registration.
- Select appropriate member type and scan or type the confirmation number for all participants being registered. An .xls or .txt file can also be imported into the system.
- Click Submit Member List to link to USA Hockey. All data the participant entered during online registration will be sent to your Registry completing the registration and allowing that participant to be placed on a roster.

Important: You must transmit **all** players and coaches as instructed above. **The online registration process is not complete until you transmit the confirmation numbers through your Registry to USA Hockey.** You may then assign your players and coaches to teams and create the Official Team Roster forms.

Team Managers/Volunteer - online registration

This registration is provided for your program to track volunteer participation through your Registry. Instruct all your approved Managers and Volunteers that they are to register online with USAH (select ice MANAGER/VOLUNTEER) and submit their confirmation numbers to you. The Manager/Volunteer confirmation number will have "XX" as the first two letters. **There is NO CHARGE for this registration.** Manager/Volunteer registration **does NOT allow** on-ice

participation. A Coach/Player may act in the capacity of a manager and their confirmation number can be transmitted through your Registry as a Manager or Volunteer.

IMPORTANT: SafeSport Program Information

USA Hockey is committed to creating a safe and positive environment for all participants' physical, emotional, and social development, and has adopted the United States Olympic Committee's SafeSport training materials specifically customized for USA Hockey. This comprehensive program includes written materials, policies and a series of **online training videos** aimed at educating its members and preventing abuse. The training is available to anyone (including parents), free of charge. **All coaches are required to complete the SafeSport Training Program every two years. This training is to be completed PRIOR to any participation with youth players.** There is a refresher course available for those who took the full course and need to re-certify. The Safe Sport website will direct those eligible to the Refresher course. Everyone is encouraged to complete the Training program (Team Managers, Volunteers, parents) – see below. The link to the SafeSport website is on the home page of your USAH Registry.

The words "SafeSport Verified" will appear on the Personnel screen for any member in your program who has completed the SafeSport online training. That information will also be reflected in the Staff area of the Official Roster and the Credentials Verification form. You can also generate a SafeSport Report from your Registry.

Note:

Each time that you sign into your Registry you will receive the most current data for your members – completed coach clinics, coach modules, SafeSport video training, date of birth verification, non-US citizen transfer information, etc. – anything that has been updated since you last viewed your membership data will be there for you.

Building Teams

THERE ARE NO USA HOCKEY OR AFFILIATE FEES FOR REGISTERING TEAMS

New this year: you will select a Team Type and a Season Type. If you have questions, contact your USA Hockey Registrar.

You will then enter TEAM NAME – a maximum of 35 characters – your choice.

Next comes **CATEGORY, CLASS** and **DIVISION**.

Information for High School Teams:

Division 1: All players from one school;

Division 2: Combined High School players

For Potomac Valley Amateur Hockey Association (PVAHA) teams only:

AAA/Tier I, AA/Tier II and A/Tier II teams will not be approved unless submitted by an approved Tier I/Tier II association and in accordance with local Affiliate rules/regulations and By-laws. AAA/Rec or AAA Invitational Tournament rosters will not be approved during the regular USA Hockey season from September 1st until after Nationals. Any AAA/Rec or AAA/Invitational Tournament roster that is approved during the off season will expire on August 31st. AA/Tier II or A Tier II will not be approved unless the team is National Bound. Sanctioned Leagues may request the affiliate to allow all teams in that league to be allowed to register at Tier II.

Recreational teams may play other association's teams but do not qualify for Affiliate or District Playoffs or National Championships. Non National Bound teams may submit all Classes except AAA during the USA Hockey regular season from September 1st through Nationals.

The following teams are required to **submit** Rosters for certification:

- **All** Tier I and Tier II teams competing toward a National Championship.
- **All** Girls/Women's teams competing towards a National Championship.
- **All** league teams.
- **PVAHA High School teams, and, and all other High School teams in the District, if required to do so by area High School leagues.**
- **Any team** (including Rec teams) **playing a team outside of our Affiliate or District.**
- **Any team** (including Rec teams) **participating in a USA Hockey sanctioned Invitational Tournament.**
- **All Other Teams** as determined by the applicable Affiliate.

You will submit your Rosters through your Registry (online) to your USA Hockey Registrar and you will receive pending and approved Rosters back in your Registry. You will also receive a link to the Official Certified Roster that you can distribute as necessary. This link will remain the same all season – even if changes are made to the roster. You are still able to print Rosters if you want (but why?) – If you do print a Roster, be sure to print from the link. This is the Official Roster but with limited Player information.

Note: Except PVAHA, where managers and staff are encouraged to complete SafeSport, all Coaches, Managers and Staff are required to have completed their SafeSport Training prior to participation in their local program. For all Youth/Girls Rosters submitted: any Coach, Manager or Staff who does not have SafeSport verified and Screening completed will be redlined (removed) from the pending roster.

You must transmit ALL of your Coaches through your USAH Registry – Any adult who is on the ice or bench with youth players must be registered through your Program as a Coach – member type C (or CP if he is also a Player in your program).

ASSIGNING PLAYERS, COACHES, AND MANAGERS

All rosters must be certified and dated by your Associate Registrar before they are official and before your game count begins.

IMPORTANT: For teams competing towards National Championships (Tier I, Tier II, High School, Girls', and Senior Women), certified rosters must be received by the USA Hockey Associate Registrar (at the address enclosed) as soon as possible so they can be certified and dated for game counts to begin. Games played before the roster has been certified will not count toward the number of games needed to qualify for post-season play.

Be sure your roster does not go over twenty players at any given time. The only teams allowed to have more than 20 players are High School and Men's/Women's Adult teams.

DEADLINES:

Tier I, Tier II, Girls', and Senior Women - final rosters and all additions/deletions must be received by your USA Hockey Associate Registrar **no later than 12/31. High School rosters must be submitted no later than 2/15.** Coaches, with proper certification and managers may be added at any time.

House and Recreational teams – follow your appropriate league, association or Affiliate rules.

Non-US Citizen Information

International Ice Hockey Federation regulations require that all non-US citizen players on youth and girls/women's classification teams be transferred by means of a letter of approval. There is no fee to process this written transfer for youth aged players. Under Forms in your Registry, there are three Transfer Forms – one for Canadian Women, one for Canadian Youth and a separate one for all other non-US citizens. Complete the appropriate form for all non-US citizen youth and girls/women's players in your program before games are played. There is a fee for transferring women's players 18 years of age or older on national championship bound teams along with male players 18 years of age or older.

In addition to a completed Transfer, non-US citizen youth and all non-US citizen female players must also provide proof of resident status in the US. This information should be kept with the team registration materials and should be provided prior to regular season games. Additional information is available on the Youth Transfer Forms.

When a non-US citizen's transfer is complete and proof of resident status has been approved by the national office, the player's record will be marked as 'Transfer Complete' in the national database. There is a column on the Player Roster and on the Credential Verification sheet that identifies non-US citizens. If the symbol is an 'O', the transfer is not complete. If the symbol includes a 'T' (valid visa) or 'S' (student visa), the Transfer is Complete.

There is a rule limiting the number of non-US players in this country without their parents (student visa) for participation on Youth and Girl's National-Tournament bound teams. All girls' national championship-bound teams are restricted to only two (2) players and all youth national championship bound teams shall be restricted to only four (4) players, in either case, that are non-U.S. citizens temporarily residing in the U.S. under any combination of the following immigration visa categories: F. Academic Students; J. Exchange Alien Visa; P. Athletes and Entertainers [excluding their spouses and children under visa category P-4]; Category M. Non-Academic Student and Q. International Cultural Exchange Program participants. This restriction does not apply to non-U.S. citizens temporarily residing in the U.S. under category P-4, referenced above, or other visa categories not referenced above, excluding category B. Temporary Visitor.

Forms

There are a number of Forms available through your Registry including the **Participant Accident Claim Form**. Click on Forms to access. **Before you sign a claim form for USA Hockey, make sure that the participant is properly registered with your association.**

A **Credential Verification Sheet (CVS)** will be created for each team with player and coach names and coach CEP information printed on the sheet. Please use the CVS for all teams going to State and/or District tournaments. Columns A-D labeled 'Local Use' do not apply and can be left blank. To create the CVS select the team from the Team list and click on Credential Verification. .

Note: Be sure to read the **Important Information** document available from the home screen of your Registry
