ONLINE REGISTRATION IS MANDATORY FOR ALL NHAHA ASSOCIATIONS.

It is a very simple process. Direct players/parents to www.USAHOCKEYregistration.com and follow the instructions. Have the parent/player save a copy of the confirmation you can have either email it to you or print it and mail to you. Players under 18 years of age will need an adult to complete the registration process for them. They will need a credit card. VISA Gift Card for the right amount can be used.

The online registration process is not complete until you transmit the confirmation numbers through your Registry to USA Hockey. You may then assign players and coaches to teams and create Official Team Rosters.

Programs and Philosophies of USA Hockey: a new category – Flex Hockey

Flex Hockey -- This program is designed to provide opportunities to play for enjoyment, fitness, relaxation and fellowship. The focus is on creating a fun, safe environment where participants can be active in the sport of hockey with flexible participation commitment and varied playing formats and varied playing rules.

Flex Hockey programs are no-check, ages can be mixed and rosters optional. Your Registry will allow you to identify Flex Program players on the Personnel screen – click on Edit Player in the upper left. You can then create a Report of Flex participants. Or, a Flex roster can be created to provide a listing of participants. The roster would not be submitted or approved.

Building Teams

Select a Team Type and a Season Type. If you have questions, contact your USA Hockey Registrar.

You will then enter **TEAM NAME** – a maximum of 35 characters. This option is at your discretion, please consider names that will make it easier to identify and differentiate between your teams.

*****Please do not assign colors to teams in this field. I will not know that your Blue team is your #1 team and that Red and Green are the lower level or house teams, nor will the Divisional VP's.*****

Next comes **CATEGORY, CLASS** and **DIVISION**.

Information for High School Teams:

Division 1: All players from one school;

Division 2: Combined High School players

All Rosters require a Head Coach to be designated on the Official Roster. When creating the roster, in the Assign Personnel Screen, click on the drop down arrow by the Position box below the Staff area to identify the Head Coach.

Coaches are required to have completed their Screening and the SafeSport Training

PRIOR to participation in your program. For all Youth/Girls Rosters submitted: any Coach, Manager or Staff who does not have SafeSport verified and Screening completed will be redlined (removed) from the roster.

If you have any questions about building your team(s), please call me.

Team Roster

Remember that player signatures are no longer required on Rosters.

You will submit your Rosters through your Registry (online) to your USA Hockey Registrar and you will receive pending and approved Rosters back in your Registry. You will also receive a link to the Official Certified Roster that you can distribute as necessary. This link will remain the same all season – even if changes are made to the roster. You are still able to print Rosters – to print a Roster, be sure to print from the link. This is the Official Roster but with limited Player information.

You must transmit ALL of your Coaches through your USAH Registry – Any adult who is on the ice or bench with youth players must be registered through your Program as a Coach – member type C.

Note:

A **Credential Verification Sheet (CVS)** will be created for each team with player and coach names and coach CEP information printed on the sheet. Please use the CVS for all teams going to State and/or District tournaments. Columns A-D labeled 'Local Use' do not apply and can be left blank. To create the CVS select the team from the Team list and click on Credential Verification.
