ONLINE REGISTRATION

Online registration is the preferred option for programs to use to allow their individual members to register with USA Hockey. The USA Hockey **Waiver of Liability** is completed during online registration; copies of Waivers are **NOT** required for those registering online.

- Instruct your members to register online and send confirmation number to you.
- Let your members know the following fees are collected during online registration: USA Hockey fee of \$40 for age 7&over and \$0 for 6&under and **WAHA fee** of \$10 for age 7 through 18, \$5 for age 19 and over and \$0 for age 6&under (birth year 2010 and later).
- Once you receive confirmation number(s) login to your Registry and select Registration.
- Select appropriate member type and scan or type the confirmation number for all participants being registered. An .xls or .txt file can also be imported into the system.
- Click Submit Member List to link to USA Hockey. All data the participant entered during online registration will be sent to your Registry completing the registration and allowing that participant to be placed on a roster.

Important: You must transmit **all** players and coaches as instructed above. The online registration process is not complete until you transmit the confirmation numbers through your Registry to USA Hockey. You may then assign your players and coaches to teams and create Official Player Rosters.

Each time that you sign into your Registry you will receive the most current data for your members – completed coach clinics, coach modules, SafeSport video training, date of birth verification, non-US citizen transfer information, etc. – anything that has been updated since you last viewed your membership data will be there for you.

NOTE: For information on the following topics, refer to the **Important Information** Document accessible from the home screen of your Registry:

- **SafeSport online training program**
- **Manager/Volunteer Registration**
- **Non-US Citizen Player requirements**
- **Date of Birth and Citizenship verification**

All Tier I and Tier II Rosters require a Head Coach to be designated on the Official Roster. When creating the roster in the Assign Personnel Screen, click on the drop down arrow by the Position box below the Staff area to make the change for the Head Coach. If you have coaching education that is not appearing correctly on your roster or credential verification sheet please contact your Region Registrar for assistance.
