**2017-18 Season**

**Organizations are required to use online registration.** Contact Tony Montagna at [tony.montagna@verizon.net](mailto:tony.montagna@verizon.net) if questions.

**Steps in the Registration Process**

1. Individual Membership
2. Official Roster

**1. Individual Membership -- Online Registration**

- Instruct your members to register online and send confirmation number to you.
- Let your members know the following fees are collected during online registration: USA Hockey fee of \$40 for age 7&over and \$0 for 6&under (birth year 2011 and later), and AAHA fee of \$10 for age 7 and over \$0 for age 6&under (birth year 2011 and later).
- Once you receive confirmation number(s) login to your Registry and select Registration.
- Select appropriate member type and scan or type the confirmation number for all participants being registered. An .xls or .txt file can also be imported into the system.
- Click Submit Member List to link to USA Hockey. All data the participant entered during online registration will be sent to your Registry completing the registration and allowing that participant to be placed on a roster.

**You must complete registration by claiming the registrations using your Registry. The online registration process eliminates the need for data entry and transmitting to a disk**

**NOTE:** For information on the following topics, refer to the **Important Information** Document accessible from the home screen of your Registry:

- **SafeSport online training program**
- **Manager/Volunteer Registration**
- **Non-US Citizen Player requirements**
- **Date of Birth and Citizenship verification**
- **Number of Players per Team**
- **Invitational Tournament requirements**

**2. Building Teams – This information is for ALL Programs**

All participants must be registered individually and be claimed by a registered program. After you have performed your transmittal, your next step is to build your teams, adding your players and staff to the Official Team Roster.

The Team Roster is required for all National Tournament-bound teams, including Tier I (Atlantic Youth Hockey League), Tier I Independent (approved by the Affiliate) Tier II (Delaware Valley Hockey League & The New Jersey Youth Hockey League), Tier II Independent (approved by the Affiliate; Girls/Women (Mid Atlantic Women's Hockey Association, Girls Tier I and Tier II Independent (approved by the Affiliate).

The Team Roster is also required for all High School and independent teams. Copies of the roster approved by the District Registrar are required by each High School League

**Player signatures are NOT required on Official Rosters**

**Reminder – age classification implemented in the 16-17 season**

**Fifteen (15) (Tier I National Bound Teams only)**

**15 Only                      birth year 2002**

**Note: The 15-year-old age category shall be for the Tier I Youth level only and shall be limited to players age 15 (as defined in the age classification chart for the current season). Players that are not age 15 in the current season shall not be permitted to play at the 15-year-old age classification under any circumstances.**

For all Tier I and Tier II teams (Youth and Girls) at age levels that have National Tournaments, there is a box to check if the team is National Tournament-bound. The approved Roster will reflect this selection.

The **Classification** is the age of play. **High school includes only High School programs (Varsity and Junior Varsity). Elementary School and Middle School programs must be shown as the USA Hockey-defined Classification, i.e., Mite, Squirt, etc., using the USA Hockey age classifications for these teams. The team should be classified based on the age of the oldest player on the roster. You will be able to show elementary, middle school, or junior high in the category.**

**Based on the new USA Hockey Rules, NO players age 12 or younger will be approved on any National-Tournament Bound Tier I or Tier II Youth or Girls teams. (14U, 16U, 18U and 19U).**

The **Division** is the level of your team within a division, as shown below:

**AAA - Tier I teams** - Teams, both major and minor, participating in the Atlantic Youth Hockey League, or Tier I Independent teams approved by the affiliate. The category for all teams, Peewee and above, should be shown as Tier I. For Mite, and Squirt, show Travel.

**AA, A, B - Tier II teams** – Teams participating in the Delaware Valley Hockey League, the New Jersey Youth Hockey League, or Tier II Independent teams approved by the Affiliate. The category for all teams, Peewee and above, in this league should be shown as Tier II.

**GIRLS TIER I & TIER II** – Teams participating in the Mid Atlantic Women’s Hockey Association, or Independent teams approved by the Affiliate

**SENIOR WOMEN** – Women’s teams participating in the UWHL, or Independent womens’ team.,

**A, B, C - Independent** - Teams not affiliated with any leagues, are not considered Tier I or Tier II, but are House/Rec Teams. All teams, including youth in house, light travel, and adult, should submit rosters.

**For High School and Girls High School** – Two categories are in place under Classification:

**Information for High School Teams:**

Division 1: All players attend the same High School fielding the teams

Division 2: Players attend various High Schools, who do not have enough players to form their own teams.

For both Division 1 and Division 2 team rosters, certified by the District Registrar, are required and are to be submitted to your respective League.

**3. USA Hockey Official Team Roster**

Once all players and coaches have been claimed you are ready to assign your players and staff to the Official USA Hockey Roster. You cannot add a player or coach to the roster unless they have been claimed in your Registry. **Please identify all goaltenders on the teams.**

All team rosters require a **HEAD COACH** to be designated. When creating the roster in the “Assign Personnel Screen” click on the drop down arrow by the position box, below the staff area, to make the change to Head coach.

**You will submit your Rosters through your Registry (online) to your USA Hockey Registrar and you will receive pending and approved Rosters back in your Registry. You will also receive a link to the Official Certified Roster that you can distribute as necessary. This link will remain the same all season – even if changes are made to the roster. You are still able to print Rosters if you want (but why?) – If you do print a Roster, be sure to print from the link. This is the Official Roster but with limited Player information.**

You must transmit ALL of your Coaches through your USAH Registry – Any adult who is on the ice or bench with youth players must be registered through your Program as a Coach – member type C.

#### **NEW FOR THE 2017-18 SEASON:**

- ❖ **You will not be able to add a Coach to a Youth/Girls/HS Roster until the required Age-Specific Coaching Module has been completed.**
- ❖ **You will not be able to add Team Staff (Coach or Manager) to a Youth/Girls/HS Roster until their SafeSport training has been completed.**

#### **4. Birth Certificates**

To minimize and eliminate the carrying of birth certificates, USA Hockey has a process for verifying the birth dates of all players (girls and youth). On your USA Hockey roster, any players with unverified birth certificates will show an empty circle in the “V” column. When the birth certificate is verified, there will be a “V” in the circle. **Once verified, the verification will become part of the player’s permanent record in USA Hockey, and will carry forward on all future rosters.** Players who have their date of birth verified do NOT need to have a birth certificate with the team documents. Players who do not have their date of birth verified ARE required to have birth certificates with the team documents.

In the Reports section, go to the Verified Birthdate report to see which players need verification. Mail copies of all unverified birth certificates to me. I will verify and process and send you confirmation of the verifications. If you have sent rosters prior to verification, the system will automatically update the information.

Please email, fax or mail copies of all birth certificates needing verification. They will be shredded after verification is complete. Please mail to:

#### **5. Credential Verification Sheet**

A Credential Verification Sheet (CVS) will be created for each team with player and coach names and coach CEP information printed on the sheet. Please use the CVS for all teams going to State and/or District tournaments. Columns labeled ‘Local Use’ do not apply and can be left blank. To create the CVS select the team from the Team list and click on Credential Verification.
