### MASSACHUSETTS DISTRICT USA HOCKEY REGISTRY 2017-18 SEASON

#### ONLINE REGISTRATION

Online Registration allows individual Members to register with USA Hockey. The **Waiver of Liability** is completed during online registration; copies of Waivers are **NOT** required for those registering online.

- Instruct your members to register online and send their Confirmation number/page to you.
- Let your members know the following fees are collected during online registration: USA Hockey fee of \$40 for age 7&over and \$0 for 6&under and MASS fee of \$8 for age 7&over, \$0 for age 6&under (birth year 2011 and later).
- Connect to your Registry and click on Registration
- Select appropriate member type and scan or type the confirmation number for all participants being registered. A file listing member type and confirmation number can also be imported.
- Click on Submit Member List. All data the Participant entered during the Online Registration process will be sent to your Registry completing the registration process and allowing that Participant to be placed on a Team Roster.

**Important:** You must Transmit all Players and Coaches as instructed above. The online registration process is not complete until you transmit the confirmation numbers through your USAH Registry. You may then assign your players and coaches to teams and create the Official Player Roster Form.

**Any adult who is on the ice or bench with youth players must be registered through your Program as a Coach** – member type C. Note: Online confirmation numbers are required to sign up for coach clinics, coaching modules and the coaching app along with the SafeSport online Training program.

**NOTE:** For information on the following topics, refer to the **Important Information** Document accessible from the home screen of your Registry:

- **SafeSport online training program**
- **Manager/Volunteer Registration**
- **Non-US Citizen Player requirements**
- **Date of Birth and Citizenship verification**
- **Number of Players per Team**
- **Invitational Tournament requirements**

#### Building Teams

Select a Team Type and a Season Type. If you have questions, contact your USA Hockey Registrar. You will then enter **TEAM NAME** – a maximum of 35 characters – your choice. Next comes **CATEGORY, CLASS** and **DIVISION**.

#### Information for High School Teams:

Division 1: All players from one school;  
Division 2: Combined High School players

For all Tier I and Tier II teams (Youth and Girls) at age levels that have National Tournaments, there is a box to check if the team is National Tournament-bound. The approved Roster will reflect this selection.

Based on the new USA Hockey Rules, **NO** players age 12 or younger will be approved on National-Tournament Bound Tier I or Tier II Youth or Girls 14U rosters.

**Reminder: age classification implemented in the 16-17 season:**

**Fifteen (15) (Tier I National Bound Teams only)**

15 Only birth year 2002

Note: The 15-year-old age category shall be for the Tier I Youth level only and shall be limited to players age 15 (as defined in the age classification chart for the current season). Players that are not age 15 in the current season shall not be permitted to play at the 15-year-old age classification under any circumstances.

**All Team Rosters require at least one Coach to be assigned to the Official Roster.**

**NEW FOR THE 2017-18 SEASON:**

- ❖ You will not be able to add a Coach to a Youth/Girls/HS Roster until the required Age-Specific Coaching Module has been completed.
- ❖ You will not be able to add Team Staff (Coach or Manager) to a Youth/Girls/HS Roster until their SafeSport training has been completed.

**MASSACHUSETTS prefers a Head Coach be designated for all Youth, High School and Girls/Women's teams. That "Head Coach" would preferably be the highest certified Coach listed on the Team Roster**

**TEAM ROSTER**

Remember that player signatures are no longer required on Rosters. **You will submit your Rosters through your Registry (online) to your USA Hockey Registrar and you will receive pending and approved Rosters back in your Registry. You will also receive a link to the Official Certified Roster that you can distribute as necessary. This link will remain the same all season – even if changes are made to the roster.** You are still able to print Rosters. If you print a Roster, be sure to print from the link. This is the Official Roster but with limited Player information.

**Please make sure you have assigned at least ONE coach to each Team Roster; preferably a coach certified at Level 3 to begin the season.**

**Please Note: Girls Tier III Rosters are submitted to the respective District Registrar for approval and processing. Girls Tier III Teams generally fall under a Local Youth Hockey Association.**

Each time that you sign into your Registry you will receive the most current data for your members – completed coach clinics, coach modules, SafeSport video training, date of birth verification, non-US citizen transfer information, etc. – anything that has been updated since you last viewed your membership data will be there for you.

A **Credential Verification Sheet (CVS)** will be created for each team with player and coach names and coach CEP information printed on the sheet. Please use the CVS for all teams going to State and/or District tournaments. Columns labeled 'Local Use' do not apply and can be left blank. To create the CVS select the team from the Team list and click on Credential Verification.

**NEW FOR THE 2017-18 SEASON:**

- ❖ The Consent to Treat form is no longer a required form. It has been removed from the Registry and the Credentials Verification Sheet.
- ❖ The Participant Code of Conduct has been removed as a required document. It is still available in your Registry if you chose to use it or you can create one for your program. The form is no longer required in a team book and has been removed from the Credentials Verification sheet.

## **Reports**

Your Registry provides a number of Reports that you can create from your membership data. You can also create a Custom Report pulling any fields that you define for the Report. Click on the 'Create Custom Report' button on the right of the screen.

## **Forms**
