SOUTH DAKOTA PROGRAMS

USA Hockey Registry

2017-18 Season

Define Divisions

New this season: South Dakota will be using USA Hockey age classifications -- the calendar year will determine a player's Age Division.

ONLINE REGISTRATION

Online registration allows your individual members to register with USA Hockey. The **USA Hockey Waiver of Liability** is completed during online registration; copies of waivers are **NOT** required for those registering online.

- Instruct your members to register online and send confirmation number to you.
- Let your members know the following fees are collected during online registration: **USA Hockey fee** of \$40 for age 7 & over and \$0 for 6 & under (birth year 2011 and later).
- The SDAHA Affiliate fee is collected during online registration. The fee is \$0 for age 6 & under, \$5 for ages 7-18 and \$0 for age 19 and over.
- Once you receive confirmation number(s) login to your Registry and select Registration.
- Select appropriate member type and scan or type the confirmation number for all participants being registered. An .xls or .txt file can also be imported into the system.
- Click Submit Member List to link to USA Hockey. All data the participant entered during online registration will be sent to your Registry completing the registration and allowing that participant to be placed on a roster.

Important: You must transmit **all** players and coaches as instructed above. The online registration process is not complete until you transmit the confirmation numbers through your Registry to USA Hockey. You may then assign your players and coaches to teams and create Official Player Rosters,

NOTE: For information on the following topics, refer to the **Important Information** Document accessible from the home screen of your Registry:

- **SafeSport online training program**
- **Manager/Volunteer Registration**
- **Non-US Citizen Player requirements**
- **Date of Birth and Citizenship verification**
- **Number of Players per Team**
- **Invitational Tournament requirements**

Building Teams

Select a Team Type and a Season Type. If you have questions, contact your USA Hockey Registrar.

You will then enter TEAM NAME – a maximum of 35 characters.

The Team name field is composed of the Association Name, team division and the team color or number (i.e. Edina Bantam B White, White Beal Lake Mite 10).

Next comes **CATEGORY, CLASS** and **DIVISION**.

Information for High School Teams:

Division 1: All players from one school;

Division 2: Combined High School players

For all Tier I and Tier II teams (Youth and Girls) at age levels that have National Tournaments, there is a box to check if the team is National Tournament-bound. The approved Roster will reflect this selection.

Based on the new USA Hockey Rules, **NO** players age 12 or younger will be approved on National-Tournament Bound Tier I or Tier II Youth or Girls 14U rosters.

**Reminder: age classification implemented in the 16-17 season:
Fifteen (15) (Tier I National Bound Teams only)**

15 Only birth year 2002

Note: The 15-year-old age category shall be for the Tier I Youth level only and shall be limited to players age 15 (as defined in the age classification chart for the current season). Players that are not age 15 in the current season shall not be permitted to play at the 15-year-old age classification under any circumstances.

Team Roster

Remember player signatures are no longer required on rosters.

South Dakota requires a Head Coach be designated for all Youth, High School and Girls/Women's teams.

You must transmit ALL of your Coaches through your USAH Registry – Any adult who is on the ice or bench with youth players must be registered through your Program as a Coach – member type C.

NEW FOR THE 2017-18 SEASON:

- ❖ You will not be able to add a Coach to a Youth/Girls/HS Roster until the required Age-Specific Coaching Module has been completed.
- ❖ You will not be able to add Team Staff (Coach or Manager) to a Youth/Girls/HS Roster until their SafeSport training has been completed.

You will submit your Rosters through your Registry (online) to your USA Hockey Registrar and you will receive pending and approved Rosters back in your Registry. You will also receive a link to the Official Certified Roster that you can distribute as necessary. This link will remain the same all season – even if changes are made to the roster. You are still able to print Rosters if you want (but why?) – If you do print a Roster, be sure to print from the link. This is the Official Roster but with limited Player information.

You will use the Team Roster to register your Team. As in the past, you can add yourself to the database as a volunteer and use your name on all Team Roster forms to replace the TMA. Remember to change the position to Team Mgr/Rep or else you will be listed as a coach. You will remove your name from the roster once you have submitted it to me or when you add the team members and staff.

Each time that you sign into your Registry you will receive the most current data for your members – completed coach clinics, coach modules, SafeSport video training, date of birth verification, non-US citizen transfer information, etc. – anything that has been updated since you last viewed your membership data will be there for you.

A **Credential Verification Sheet (CVS)** will be created for each team with player and coach names and coach CEP information printed on the sheet. Please use the CVS for all teams going to State and/or District tournaments. Column labeled 'Local Use' do not apply and can be left blank. To create the CVS select the team from the Team list and click on Credential Verification.

NEW FOR THE 2017-18 SEASON:

- ❖ The Consent to Treat form is no longer a required form. It has been removed from the Registry and the Credentials Verification Sheet.
- ❖ The Participant Code of Conduct has been removed as a required document. It is still available in your Registry if you chose to use it or you can create one for your program. The form is no longer required in a team book and has been removed from the Credentials Verification sheet.

Reports

Your Registry provides a number of Reports that you can create from your membership data. You can also create a Custom Report pulling any fields that you define for the Report. Click on the 'Create Custom Report' button on the right of the screen.

Forms

There are a number of Forms available through your Registry including the **Participant Accident Claim Form**. Click on Forms to access. **Before you sign a claim form for USA Hockey, make sure that the participant is properly registered with your association.**
