Building Teams

Select a Team Type and a Season Type. If you have questions, contact your USA Hockey Registrar.

You will then enter TEAM NAME – a maximum of 35 characters – your choice.

Next comes **CATEGORY, CLASS** and **DIVISION**.

Information for High School Teams

Division 1: All players from one school;

Division 2: Combined High School players

Note: Based on USA Hockey Rules as of the 2017-18 season, no players age 12 or younger will be approved on Tier I or Tier II Youth or Girls 14U Tier I rosters.

For the 2018-19 and 2019-20 seasons for Girls 14U Tier II only, an Affiliate may permit up to 3 players that are 12 years of age for the current season (as defined in the Youth/Junior Age Classification chart in the Annual Guide) to be rostered on a Girls 14U Tier II team intending or declared to compete in the District or National Championships or playoffs leading thereto if the Affiliate finds that either:

- (a) the younger player(s) are from the same local geographic area as the team they intend to play for and are needed to field a Girls 14U Tier II team with a roster size recommended by the ADM, or
- (b) there is no 12U girls' team available in the player's home local geographic area.

For all Tier I & Tier II teams (Youth and Girls), 14U and older with National Tournaments, there is drop down box to indicate yes or no if the team is National Tournament-bound. The approved Roster will reflect this selection.

Fifteen (15) (Tier I National Bound Teams only) - 15 Only *(age classification implemented in 2016-17 season)*

The 15-year-old age category shall be for the Tier I Youth level only and shall be limited to players age 15 (as defined in the age classification chart for the current season). Players that are not age 15 in the current season shall not be permitted to play at the 15-year-old age classification under any circumstances. For the 2018-19 season this is the 2003 birth year.

THE OFFICIAL TEAM ROSTER

Remember player signatures are no longer required on Rosters.

All Tier I and Tier II Rosters require a Head Coach to be designated on the Official Roster.

You will submit your Rosters through your Registry (online) to your USA Hockey Registrar. You will receive daily email notifications to any updates, pending and approved Rosters and you can see this information in your Registry. You will also receive a link to the Official Certified Roster that you can distribute as necessary. This link will remain the same all season, even if changes are made to the roster. Advise Team Staff to print their roster from the link as this is the Official Roster (Form 1-T) but with limited player information.

- ❖ You must claim ALL of your Coaches through your USAH Registry. Any adult who is on the ice or bench with youth players must be registered through your Program, through the USAH Registry, as a Coach or member type C.
- ❖ You will not be able to add a Coach to a Youth/Girls Roster until the required Age-Specific Coaching Module has been completed.
- ❖ You will not be able to add Team Staff (Coach or Manager) to a Youth/Girls Roster until their SafeSport training has been completed.

Each time that you sign into your Registry you will receive the most current data for your members – completed coach clinics, coach modules, SafeSport training, date of birth verification, non-US citizen transfer information, etc. Anything that has been updated since you last viewed your membership data will be there for you.

Deadline – Rosters must be received by the USA Hockey Associate Registrar for Wyoming (me) before any team plays a league or tournament game. Subsequent changes to a roster (additions/deletions) are allowed. For teams competing towards National Championships (Tier I, Tier II and Senior Women), final rosters and all additions/deletions must be received by the USA Hockey Associate Registrar for Wyoming by December 31. For teams competing on natural ice the deadline is January 20. House/Rec teams – follow your appropriate league rule.

Deadlines seem confusing and difficult to pinpoint sometimes. Affiliate (WAHA) deadlines and league deadlines sometimes seem to conflict with USA Hockey deadlines. The December 31st USA Hockey deadline for Tier I and Tier II teams does not apply to teams registered House/Rec, with the exception of Senior Women. This is why you must check your individual association or league rules. Your league or association may or may not allow players to be added to House/Rec teams after December 31st.

A **Credential Verification Sheet (CVS)** will be created for each team with player and coach names along with coach CEP information. Please use the CVS for all teams going to State and/or District tournaments. Columns labeled 'Local Use' can be left blank. To create the CVS select the team from the Team list and click on Credential Verification.

Reports

Your Registry provides a number of Reports that you can create from your membership data. You can also create a Custom Report pulling any fields that you define for the Report. Click on the 'Create Custom Report' button on the right of the screen.

Forms

There are a number of Forms available through your Registry including the **Participant Accident Claim Form**. Click on Forms to access. Before you sign a claim form for USA Hockey, make sure that the participant is properly claimed with your association. **Do not post the Claim Form or USA Hockey Waiver form on your website.**
