UPDATE STAFF

NOTE: All youth and girls team types require a staff member to marked as the head coach for the team. The team cannot be submitted until a head coach identified.

USAH Registry: Creating and Submitting Teams

SUBMITTING A TEAM

When your team is ready to be submitted for approval just click on the “Submit Team” button in the left side menu. It will automatically be sent for approval and marked as submitted.

NOTE: You only have to submit a team once. If you make any changes (add/remove players, update settings, etc.) they will automatically be sent and the team will be marked as supplemented..

Once your team is approved it will be marked as approved in the system and you will be sent a confirmation email. A public link is also created for the approved roster.

The public link will stay the same for the team throughout the season. You can use this link to send the roster to anyone outside the portal.

NOTE: Public rosters will only show approved and redlined players and staff. Any player or staff changes that are pending will not be shown on the public roster.

Be sure to double check your team for any redlined players/staff. Also, check the new Notes section for anything the admin might need from you.
